

Curriculum vitae – Boye Lagerbon Jensen, **DOB July 25th 1965**,

EDUCATION AND SCIENTIFIC DEGREES

1992 Cand. med. (M.D.), University of Copenhagen
1995 PhD, University of Copenhagen
2004-5 Research Management Course, Copenhagen Business School
2001 D.M.Sc. (dr. med., habilitation), University of Southern Denmark

PROFESSIONAL EXPERIENCE

1988-1989 Student Research Fellowship, University of Copenhagen
1992-1995 PhD fellow, University of Copenhagen
1995-1998 Post-Doc fellow, University of Regensburg, Germany
1998-2000 Assistant Professor, University of Southern Denmark
2000-2007 Associate Professor, University of Southern Denmark
2007-2011 Professor mso, University of Southern Denmark
2011-Full Professor, University of Southern Denmark

RESEARCH, PUBLICATIONS AND PRESENTATIONS

- Role of kidney in blood pressure control under physiological conditions and hypertension
- 09-2020 200 publications. 1 PhD and 1 doctoral thesis. Scopus: 4.548 citations, H-Factor 40
- ~30 invited lectures at international meetings, >100 abstracts presented at international meetings.

HONOURS, AWARDS, FELLOWSHIPS

- Fellowships from the Universities of Copenhagen and Regensburg, Germany, 1995-1997
- Astra-Zeneca Award for Research in Hypertension, 1999 25.000 DKR
- Teaching Award, Univ. Southern Denmark, 2009 25.000 DKR
- Research Prize of “Fyens Stifttidende” (newspaper) 2011 15.000 DKR
- Danish Odd Fellow Order Research Prize 2016 125.000 DKR
- “Claus Brun Lecture”, Danish Society of Nephrology 2016 -

SCIENTIFIC SOCIETIES, COMMITTEES AND JOURNALS

- Associate Editor, Kidney and urinary tract, *Acta Physiologica*, 2016-, impact factor 5,9.
- Member of Editorial Boards: *Am J Physiol: Regul Integ Comp* 2005-; *Am J Physiol-Renal* 2013-; *Pflugers Arch.* 2013-, *Hypertension* 2018-
- Meetings Secretary, The Scandinavian Physiological Society, 2003-10
- Board member 2007-12, vice chairman and 2012-16 Chairman of The Danish Hypertension Society
- Research Funding Committees: Danish Heart Association, 2013-19; Odense Univ. Hosp Research Committee 2014, 15; Swedish research Council panel “MH:E1. Cardiovascular and Urogenital diseases, Transplantation and diseases of haematogenous organs” 2017-2019; Augustinus Foundation 2019-; Steno Diabetes Center Odense 2020-, Adhoc UK kidney research; Dutch Neph. Soc; Israel Sci foundation.
- Member of the American and Scandinavian Physiological Societies, Danish Societies for Nephrology, Pharmacology and Hypertension

TEACHING RESPONSIBILITIES & ASSIGNMENTS

- Pending main and co-supervisor for 5 PhD students. 26 PhD students and 20 MSc students completed. 10 pregraduate research MD students supported by the Research Council completed-all with publication.
- Course development: Module 2 and 6, Medicine, Univ. of Southern Denmark (each 15 ECTS)
- Course director: Module 2; currently Module 6: “Growth and Nutrition”; Pathophysiology-kidney, MSc students; Responsible for schedule, examination and course evaluation. PhD course: “Renin-Angiotensin system” 2005, 2008, 2011, 2013.
- Course teaching ca 100h per year: Physiology, pathophysiology, pharmacology and molecular biology at University of Southern Denmark. Postgraduate teaching at PhD courses.

FUNDING 2010-2019: app 18 mill DKR.

ADMINISTRATIVE EXPERIENCE

- Study Board (studienævn) Clinical Biomechanic for 2x4 year periods until 2018
- Head of Research at Dept Cardiovascular and Renal Research (+50 employees), 2007-
- Faculty Committee for Academic Theses (UvAA), member 2008-13, chairman 2013-18
- Research Consultant, Dept. of Urology, Odense University Hospital, 2011-

REVIEWING

- External reviewer: 22 PhD theses (KU, AU, Göteborg, Hong Kong), 3 pregrad. MD student projects-AU
- Chairman of 4 PhD review committees at Univ. Southern Denmark
- Member of review committees on 21 academic positions: AU, KU, Lausanne, Lund.
- Norwegian Research Council; appointed reviewer of Clinical Research, Norway, 2011
- Ad hoc referee for international journals: e.g. *J Hypertens*, *Kidney Int*, *Am J Physiol*, *Cardiovascular Res*, *FASEB J*, *J. Am Soc. Nephrol.* *Hypertension*. 1-2/month
- Appointed reviewer „*Medical and Health Sciences*“ 2017, visit at 6 institutions and report, and 2020/1 institution. Estonia
